Hello to you all!

The first prime minister of India ever was named Nehru and he was a great lover of children. He declared that every school in India should celebrate childrensday...and it so happened...also with us in Sikkim. WE celebrated childrensday last Monday. At 6 O'clock in the morning the children had a cup of warm milk because that is a treat.....

Then at 8 O'clock they had a beautiful breakfast, different than normal. After that they prepared themselves to perform their popular cultural show again with traditional songs and dances. The parents of the local children came to watch and everything and everyone was so joyful!!

After that we had a rich lunch with things the children normally do not eat. In the afternoon we played all kinds of games with which the children could win small prizes.

In the evening we had a bonfire and a bedtime story....and then everyone was tired....and me too!!

Also can you see the children in new t-shirts brought by Peter from Australia who has been in the school already several times!
love and laughs from all of us!
